DEMOCRATIC COMMITTEE.—The city democratic committee met last night to make final arrangements for the primary to be held on Wednesday next to nominate candidates for the various municipal offices to be filled at the May election. Mr. O. F. Carter presided and Mr. R. T. Cook acted as secretary. All the members were present as were many of the candidates.

It was stated that some changes had been made in the judges and clerks of election in the Third and Fourth wards and the following named will act in those capacities. These were: Friendship precinct—Judges, Thos. Fisher and Avery Henderson; clerks, E. E. Padgett and Luther Carter. Court House precinct—Judges, C. H. Yohe, Charles Appich and J. B. Penn; clerks, W. H. Muir and W. W. Harrison.

Fourth ward—Judges, Champ Walker, Randolph Davis and Chas. Fisher; clerks, J. M. Goodrich and Milton Fairfax.

The secretary announced that all the assessments to defray the expenses of the primary had been paid and then read the list of candidates as follows: Mayor—L. H. Thompson, Geo. L. Simpson and R. H. Cox.

City Treasurer—M. B. Harlow. City Auditor—E. F. (Sam) Price and A. H. Thomson.

Corporation Attorney—S. G. Brent and Gardner L. Boothe. Tax Collector—P. F. Gorman. Clerk of Gas—R. T. Cook and J. H. Raines.

Inspector of Lumber—J. L. Adams and R. M. Latham. Measure of Wood and Bark—Chas. Goodrich.

1st Ward—Alderman, N. P. T. Burke, W. B. Dobie and A. W. Mechor. Council, Hubert Snowden, C. N. Moore, H. R. Burke, Alton Moore, T. F. McCarthy, John Trimyer and S. Cuvillier. Constable, Wm. Webster. Magistrate, S. C. Swain.

4th Ward—Alderman, J. T. Sweeney. Council, L. E. Uhler, T. J. Fannon, Jas. McCuen, J. M. White, Theo. H. Ficklin, R. E. L. Tyler, F. C. Spinks, jr., T. F. Kelly, W. G. Simpson and G. R. Hill.

Constable—O. C. Whittlesey. The secretary said it had been suggested to him that it would be a good idea to have but one ticket prepared for the primary—a ticket with the names of all the candidates upon it, that no tickets of individual candidates be used.

Messrs. Boothe, Simpson and Thompson opposed this idea, holding that it is the privilege of each candidate to have his own ticket printed if he so desired. Mr. Cox was indifferent concerning the matter; he was willing to have any kind of a ticket the other candidates desired.

Mr. Cook then withdrew his suggestion and the committee having no further business adjourned.

THE KINDERGARTEN.—The managers of Alexandria Kindergarten have perfected arrangements for the annual meeting to be held at Leabody Hall on Tuesday, April 20, at 8 p. m. Dr. Hartmann, of the Indian bureau, has kindly consented to deliver the address and there will also be games and exercises by the children to show the progress made in the past year. A most enjoyable evening is expected and a cordial invitation is extended to all. The tickets are free and can be obtained at Mr. G. W. Ramsay's store.

Since the last acknowledgment, a pretty framed picture has been gratefully received from Mr. Clark.

GLEE AND MANDOLIN CLUB CONCERT.—The entertainment given at the Opera House last night by the Western Maryland College Glee and Mandolin Club afforded a musical treat to those who were present seldom enjoyed by an Alexandria audience. Although the audience was small it was highly enthusiastic and appreciative. The fine personnel of the members of the club was a matter of very favorable comment and the programme was well selected, and rendition of the choruses and mandolin selections exhibiting the highest order of musical talent. The voices of the members of the club were exceptionally fine and the time and harmony perfect, and every selection was repeatedly encored. The autograph selections, "The Old Time Music Box" and "The Angel's Song," by Mr. Lane were exceptionally fine and elicited repeated applause. The club more than sustained its reputation for giving a first-class musical entertainment and made a favorable and pleasing impression upon its audience. They have been very strenuously urged to visit this city again in a short time to repeat their concert, when no doubt they will be greeted by a large audience. The club is under the management of Professor Black, of the Western Maryland College, and reflects great credit upon its management as well as upon the College. Their entertainments are worthy of the liberal patronage of all lovers of good singing and fine music, and we bespeak for them a very successful tour.

IS IT CLEM'S GHOST?—There is a rumor among the colored people of the First ward that the spirit of Clem Dorsey, who last week attempted to kill his wife at her home on Gibson street and then committed suicide by cutting his throat in a neighboring alley, has returned to the earth; that his ghost walks by night and, what is worse, that it carries a razor—presumably for use in case he meets some of those whom he fancied injured him. The story goes that Clem upon reaching the spirit land was so dumbfounded at not finding his wife there that he determined to revisit the glimpses of the moon and ascertain the cause of her stay on earth. To this end it is hinted that Clem's disembodied spirit has been seen hovering around his former abode and that it slowly meanders through the alley where his dead body was found. The thought of a black ghost is of itself sufficiently terrifying, but the idea of meeting one with a gaping wound in its throat and a gleaming razor in its hand is enough to excite the fears of timid people whose business or duty may call them at night to be about in the quiet precincts of the First ward. These rumors may all be incorrect, but certain it is that people whose back yards open upon the alley referred to have observed the quiet that pervades that neighborhood at night, and now back gates can be left open with impunity, and wood piles, coal bins and chicken coops are as safe from marauders as if they were guarded by armed soldiers.

EASTER.—To-morrow will be Easter, the most joyous festival in the church calendar, commemorating the resurrection of the Saviour of Mankind. In the Catholic, Episcopal and Lutheran churches especially, and indeed in most all the churches, services appropriate to the anniversary will be held. The music on this occasion will be quite elaborate, as the choirs of the several churches have been rehearsing for some time and have given much attention to the programmes which were published in full in Wednesday's GAZETTE. The Sunday school in the Episcopal churches will hold their Easter celebration to-morrow evening and the young people are looking forward to a happy time.

Although it is not considered "good form" in some quarters to don new costumes on Easter, still, should the weather be fair, it is expected that many spring suits will make their first appearance to-morrow, and as this year's fashions are particularly gay, the "parade" after the church services is expected to be quite brilliant.

ROBBERY BY A BOARDER.—About two weeks ago a young man from Washington named Robert Simmons engaged board at Del Ray at Mr. W. H. Hogan's residence. This morning Mrs. Hogan went upstairs after breakfast to get some money with which to go to market and found that all the cash in the house had disappeared. Upon further search she discovered that a diamond pin, a pair of earrings and four finger rings were also missing. The boarder had disappeared and he was naturally suspected of the robbery. The police in this city and Washington were notified, and later Simmons was arrested in the latter city as he was alighting from a car. The stolen articles were recovered and the thief will be brought here for trial.

THE REVIVAL.—Rev. E. Hez. Swem last night closed his conduct of the revival services which have been held in the Baptist Church for the past two weeks with one of the most successful meetings of the series. He took for his subject the word "saved" and repeated a number of promises of salvation to all those who accept Christ as their own. The talk was replete with beautiful thoughts and seemed to bring both the sinner and the believer closer to the throne of grace. A large number asked an interest in the prayers of the church and many others went forward. During these services upwards of fifty have professed their faith in the Lord. The meetings will be continued next week by the pastor.

LECTURE.—Mr. John P. Clum, of California, will give one of his celebrated lectures at the Opera House, Friday evening, April 23d. The subject will be "In the Wake of the Setting Sun." The finest collection of charming and artistic colored stereofon views ever exhibited in the east will be presented. These views represent the unique, historical and picturesque of the Potomac to the Pacific. Among the stirring war scenes will be Pickett's charge at Gettysburg, accompanied by the rendition of a heroic poem written expressly for this lecture. No old soldier should miss it and it has a charm for every child. It is an education as well as an entertainment.

NOT THERE.—The report that James Lewis, the negro who committed the recent assault in Fairfax county, was in Charlottesville was incorrect. Constable Webster proceeded to that place yesterday and made diligent search and inquiry for him. It seems that he has not been in that locality for several years, he having ill-treated a twelve-year old girl there a long time ago. His record at Charlottesville is bad, he having served on the chain gang there.

Spring bonnets have high crowns, and, incidentally, high prices.

PERSONAL.—Misses Fannie E. and N. Gertrude Garner, daughters of Mr. David S. Garner, of Westmoreland county, Va., are visiting Mrs. H. M. Foltz, 213 north Pitt street. Mrs. W. H. Richards has as her guest her sister, Miss Dora Chion, of Alexandria.—Fredericksburg Lance. Mr. J. R. Caton has gone to the Eastern Shore of Maryland to spend a few days with Rev. Dr. Poisal. Mr. and Mrs. Ashby Miller have gone on a short visit to Atlantic City. Miss M. L. Waite, of Culpeper, is visiting the Misses Smoot, on south St. Asaph street.

The Misses Markell, of Warrenton, who have been the guests of Miss A. L. Woodward, left for their home this week.

Miss Ethel Mankin, of Herndon, who has been visiting the Misses Moore at their home on Peace street, returned to her home last Monday.

Miss Cora Smoot has returned from North Wilkesboro, N. C., where she has been the guest of her brother, Mr. J. C. Smoot.

After a delightful visit to St. Augustine, Florida, Miss Tina Schuler has returned to her home in this city. The illness of her mother hastened her return, but she says the weather there is so warm as to be almost unbearable, and the greater number of visitors have left for home.

U. D. C.—The annual meeting of the 17th Va. Reg. Chap., U. D. C., was held this morning at Lee Camp Hall. The secretary read the minutes of the last meeting. The annual reports of the president and secretaries and treasurer were read, and also of the historian. Some interesting sketches have been collected by the historical committee. The chapter numbers over 40 members and has already done good work. The president expressed great gratification at the hearty support which had been afforded her, and congratulated the chapter on the perfect harmony which has characterized all their deliberations. The election of officers for the ensuing year is as follows: President, Mrs. W. A. Smoot; 1st. Vice President, Mrs. R. C. Powell; 2d. Vice President, Mrs. Edgar Warfield; Recording Secretary, Miss Colquhoun; Corresponding Secretary, Mrs. S. B. Davis; Registrar, Mrs. Rebecca Smoot; Historian, Miss Rebecca Powell. Miss Rowland had been the historian but her duties in several offices of the kind, she being historian of the State division, prevented her acceptance of a re-election to office.

K. OF P. FAIR.—The Knights of Pythias Fair at Schuler's Hall still continues to draw large crowds, the dancing proving quite an attraction for the young people. Next Monday night will be known as candidate night. All the candidates for the various city offices are respectfully invited to be present, at which time a new feature will be introduced that will prove very interesting. The vote last night stood as follows: Silver Tea Set—Miss Maggie Beach 5. Jr. O. U. A. M. Ring—Frank Elliott 5. E. D. Sopher 5, John Griffin 6, Oliver Posey 7.

Umbrella—R. Merchant 5, G. Woodfield 5, R. Travers 3, Taylor Rudd 81, Ed. Meade 6.

Baseball Outfit—Rose Buds 5. K. of P. Charm—J. M. Wells 5.

FUNERAL.—The funeral of J. Edward Buckner, who some years since was the assistant of his father, James M. Buckner, in the press room at this office, took place from the Alfred street Baptist church, colored, yesterday evening and was very largely attended. The services were conducted by Revs. Alex. Truitt and Wm. Gains, and Prof. Fairfield, of Howard University, where the deceased was recently a student, who spoke in commendable terms of young Buckner. A series of resolutions of respect to his memory, adopted by the members of his church, were also read during the funeral service.

POLICE COURT.—The following cases were disposed of this morning: Charles Gibson, colored, arrested by Officer Gooch charged with cruel treatment to his family, was held in security to provide for his household.

James Bell, colored, arrested by Officer Lyles charged with assaulting W. H. Beander, colored, was dismissed.

Cesar Baltimore, colored, charged with leaving a nuisance on premises lately occupied by him, was made to abate the same.

Night Report.—Last night was clear and cool. Two prisoners and four lodgers were at the station house.

Y. P. U.—The Young People's Union of the Second Presbyterian Church held a meeting last night and transacted some routine business. The question of tendering a reception to Rev. Mr. Thacker when he reaches this city to assume charge of the church, was referred to a committee. After the business had been completed an excellent musical programme was rendered. Solos were sung by Mr. G. B. Kennedy and duets by Mrs. R. L. Field and Mrs. H. C. Field. The Southern Sextette Club also rendered some fine selections.

A. L. I.—The Alexandria Light Infantry, at their meeting last night, decided to attend the dedication of the Grant mausoleum, in New York, on the 27th. About thirty members will go, under the command of Capt. Albert Bryan and First Lieutenant Marbury. They expect to leave here on Sunday, the 25th, via the Pennsylvania rail road, and will probably make their headquarters while in New York at the Sturdevant House.

DEATH OF MR. CARTER.—Mr. Thos. N. Carter, an old resident of this city, died at his daughter's residence, on upper King street, this afternoon. The deceased had been in ill health for some time. Mr. Carter was a civil engineer by profession, and years ago held the office of City Surveyor of this city.

FISH.—The arrivals of fish are only moderate, but prices have declined. Herring sold to day at \$1.75 and \$2.50 per thousand and shad at \$8a\$12 per hundred.

Only routine business was transacted at the regular meeting of Mount Vernon Council, Daughters of America, last night. The order is rapidly growing in membership, now having about 75 members.

KEEP A WATCHFUL EYE on the bargain sales at D. Bendheim & Sons. There is no pause in the wonderful buying and selling of silks and dress goods that started there in the past two weeks at such a lively pace, and there's no abatement in the tremendous outflow of bargains that has made this establishment an irresistible centre of attraction, of which the whole city seems to be talking about and commenting upon the wonderful money-saving opportunities that this week's offerings have opened up.

The animal was not stopped until it had run about a mile the other side of Hunting creek bridge.

Easter services will be held in the auditorium of the Railroad Reading Rooms to-morrow by students from the Theological Seminary. The music will be a feature of the services and the vocalists will be assisted by cornets and violins. The room will be prettily decorated with Easter flowers.

TO THE VOTERS OF THE CITY OF ALEXANDRIA. I present myself a candidate for re-election to the position of Mayor, presuming on nothing more than the custom of according second term to nearly all who have heretofore held the office. For many years this has been a recognized courtesy, and while it, of course, affords no claim, I cannot complain of those who desire to make me an exception to the rule. In announcing myself a candidate for re-election I wish merely to say that I have labored to give satisfaction, as a public servant, and I am conscious of having treated all with the courtesy and consideration due them, and have endeavored to manifest a conservative spirit. The last few months of my term have been fraught with issues not common in Mayor's office affairs, but I have not each fairly and avoided no responsibility. Should you deem me worthy of your support I will appreciate the confidence bestowed. Respectfully, LUTHER H. THOMPSON.

DRY GOODS. NO DINGLEY TARIFF ON OUR

Mattings.

We have opened the finest and largest line of desirable mattings we have ever shown. The Dingley bill places a tariff of 8c per yard and 30 per cent advance duty on mattings. This would make a \$5 matting cost the consumer just \$4 more than at present. While this excessive duty may not prevail, it is a well ascertained fact that all classes of mattings will be materially increased in value in the next two months. For this reason we have laid in a large stock at lowest prices and will sell our mattings as low or lower than they have heretofore been offered.

We have many other articles in large supply that will be materially advanced under the new tariff. We shall continue to sell while in stock our 48-inch French Serge, blue and black, at 49c. These goods will be worth fully 75c under the new law.

Special values in Japanese Silks at 39 and 49; new glace duffin Silks, plain Jaffets in rose, pink, Nile, maize and light blue; Chiffons, plain and fancy, all shades; new lines and extra values in Dress Goods at 25, 39 and 49c; new lines of wash goods; a large variety of new laces and lace all overs in black and cream.
